

Raider Baseball

There is a great baseball tradition in Coal Mountain; and North Forsyth High School has a long history of outstanding baseball teams. Since 1997, the Raiders have been Region Runner-up, Region Champions, State Runner-up, and State Champions. In seven of the past ten years, the team has competed in the GHSA State Play-offs. During the 2016 season, the Raiders advanced to the Sweet 16 in the largest classification in Georgia.

Raider success has also been marked by post-secondary achievements. In the last ten years, over seventy players have gone on to play college baseball. Former Raiders have played collegiately in the Southeast and throughout the country, including Clemson, Georgia State, Air Force Academy, Piedmont and South Alabama. Several players have also continued on to play baseball professionally. Raider baseball alumni have set a great example for all the future student-athletes that will come through the Raider Program.
